

PLATO TOWNSHIP ANNUAL TOWN MEETING
Plato Town Hall, Plato Center, IL
April 9, 2024, 7:00pm

The Plato Township Annual Town Meeting was called to order at 7:00pm by Clerk Beth Gehrke. The pledge was recited.

It was moved and seconded that Jake Myers be elected as moderator. Motion carried. Jake Myes was sworn in as moderator. It was moved by Janet Roush and seconded by Ron Straub that the moderator receive a\$25 compensation.

A motion to approve the minutes of the April 11, 2023, Plato Township Annual Town Meeting was made by Janet Roush, seconded by Mike McMahon. Motion carried.

Printed copies of Plato Township Statement of Financial Affairs were available for attendees. A motion to approve the Plato Township Statement of Financial Affairs and place on file was made by Betty Rylko, seconded by Janet Roush. Motion carried.

Supervisor McMahon reported he will be presenting a balanced budget. He is at the Town Hall most days 10:00-5:00. The township is saving for a new building as we are running out of space and there is no potable water. There is money in the bank which is dedicated to a new building. In the mean time the outside of the building may be updated. There will be no recycling event this year due to cost and the fact that most all items can be picked up by LRS at resident's driveways, McMahon will look into somewhere tires can be taken. A township data base is being developed. The township continues to grow. A meeting will be scheduled for the Decennial Committee to meet again with the purpose of looking into direction for the township.

Commissioner Trainor gave his report. He is talking with Kane County Forest Preserve regarding drainage and elevation problems by Bahr Road. The Township Park is presently closed to vehicle traffic because of the saturated soil. Muirhead Bridge is on schedule, Trainor explained the funding process for the bridge.

Assessor Janet Roush provided and reviewed printed copies of Aggregate Assessed Value According to Property Class 2023, Aggregate Assessed Value According to Property Class comparisons for every 5 years since 2000, and Plato Township Assessor Expenses 2023. Parcel count is 5,517. Aggregate Assessed Value is \$552,495,462; New Construction Money \$26,836,160; difference from 2022 is \$78,964,638. Sales are down. There are 244 lots still to be built. The 2024 projected multiplier is 10.55%. Roush will not seek the Assessor position in the next election, the Township could advertise the position. Candidates need to live in the township for 1 year and have a completed CIAO certification

Betty Rylko, Cemetery Board Trustee, reported on Township's cemeteries. Blacktopping has been completed. Mowing has been hired.

There being no other reports or business, Joe Hulke moved to adjourn the meeting at 7:38PM, seconded by Mike McMahon. Motion carried.

Respectfully submitted,

Beth Gehrke, Plato Township Clerk
